“What a fantastic thing it is to be part of The Salvation Army, ... where we see and hear amazing stories of lives being transformed and people being rescued – saved.” That is why ....

We will do whatever it takes to see

- A territory marked by prayer and holiness
- Our whole territory – in every place – involved in evangelism
- Corps healthy and multiplying
- Our people equipped and empowered to serve the world
- The territory passionate about bringing children to Jesus
- Youth trained and sent out to frontline mission

**Significant increase of new soldiers and officers**

And we will be a Salvation Army..... knowing who we are, showing who we are, and being who we are.
