The TAE40110 Certificate IV in Training and Assessment is a competency based course which requires 10 units for the qualification; 7 core units and 3 elective units. This qualification reflects the roles of individuals delivering training and assessment services in the vocational education and training (VET) sector.

This course is designed for those who want to become a face to face trainer or deliver training in the workplace, as well as those who’d like to enter the dynamic and growing world of online training. You will learn how to plan, organise and deliver training; plan and implement assessment activities; and how to design training programs that meet client needs.

The training will be offered via Booth College Online. A new topic will be introduced each month on the dates below.

### Course details

**2016**
- June 1: TAEDES401A - Design and develop learning programs (Core)
- July 6: TAEDES402A - Use training packages and accredited courses to meet client needs (Core)
