## Master of Theology

Reinvigorate for life, service and leadership through Higher Education Award courses at Eva Burrows College.

The Master of Theology will take you on a journey of professional growth.

Our prestigious Master of Theology program is specifically designed for students with an undergraduate degree in theology or ministry, allowing you to apply an advanced body of knowledge to expand your faith and further your learning.

Our comprehensive program consists of 10 units, carefully curated to provide you with a well-rounded education. You'll have the flexibility to choose from a range of foundational and elective units, allowing you to tailor your studies to your specific interests and goals. Additionally, you'll have the option to undertake a Capstone unit worth at least 24 points or a Minor Thesis project, enabling you to delve deeper into your chosen area of specialisation.

The Master of Theology is designed to fit seamlessly into your life, with a standard full-time duration of two years. However, we understand that each student's journey is unique. Therefore, you have the flexibility to complete the program in not less than three semesters and not more than five years, ensuring that you have ample time to fully absorb and apply the knowledge and skills gained.

You'll master research principles and methods, honing your analytical and communication skills to effectively contribute to your area of expertise. At the culmination of your studies, you'll be able to articulate and communicate your knowledge and insights to both specialist and non-specialist audiences. Your ability to apply relevant skills will be demonstrated through a substantial research-based project, capstone experience, theological synthesis, or supervised ministry project.

Embark on a transformative journey with our Master of Theology program and experience the growth, fulfillment, and rewarding leadership opportunities that await you.
